Friends, and friends of Friends, to-falling in the hundreds, are expected to wend their way to Fallsington this afternoon, where at 2.15 commemorative exercises marking the 250th anniversary of the founding of Falls Monthly Meeting will occur.

The afternoon's program will include: Dedication of memorial trees by different Monthly Meetings and horse block restored by former-students of the Friends' School; programs simultaneously in meeting houses including welcome by presiding officers, paper "The Founders and Founding of Falls Monthly Meeting" written by Jane Moon Snipes, and paper entitled "Quaker Imprints Upon Bucks County," author John H. Wood; pantomime pageant on terrace, depicting the John Satcher-Mary Lottis courtship in the summer of 1701; impersonation in costumes of the period by many descendants of early families and others; unveiling of a tablet by the Friends' Historical Association.

The pageant was directed by A. Russell Burton and Dudley Bell, Bristol; and Anna L. Roberts, Morrisville.

An interesting display of antiques, heirlooms and early documents will be on exhibit in the Friends School House.

Boys Will Parade and Take

Part in Meet Here Today

Boys of Bristol and the two nearest towns, Edgely and Croydon, are counting each minute until the parade this afternoon, which will be the initial event of their big day. The parade and athletic meet were postponed from May 6th, owing to inclement weather.

The parade will leave from Jefferson avenue and Radcliffe street promptly at one, and traverse the main streets of the borough. Upon arrival at the high school ice cream will be served, and then the athletic events will be started. Prizes will be awarded the winners next Saturday at the Grand Theatre.

With three musical organizations in line, and the colorful costumes of the boys, the parade group is expected to make a fine appearance as it proceeds along the flag-decked streets.

AWAIT U. S. DETAILS

Geneva, May 20.—With the hurdle of Germany's acceptance of the British disarmament plan already accomplished, the United States was held up today as the guiding force to a successful conclusion of the Disarmament conference.

In an address before the general commission of the conference, Dr. Giuseppe Motta, former president of Switzerland, declared:

"It is now up to the United States to pull the conference through.

"Now we can await details from the American delegation on the extent to which the United States is willing to adhere to the plan and what measure it will take once an aggressor is defined.

"Until then, no progress is possible, so let the United States produce liberating words."

The American attitude will be revealed by Norman H. Davis, American Ambassador-at-Large, next week. He is expected to announce American agreement to a consultative pact embracing all other nations.

PLAN CHECK ON CHAIN STORES

(Copyright by I. N. S., 1933)

Washington, D. C., May 20.—Protection of independent retail merchants throughout the United States and a check upon the growth of chain stores is one of the underlying purposes of the administration's industrial recovery bill, it was revealed today.

This purpose would be achieved by manufacturers of trade-marked articles refusing to sell to retail dealers unless they resold the goods at the prices fixed by the manufacturers.

Although the far-reaching effect of the measure upon retail business has scarcely been mentioned during consideration of the combined industrial control and public works measure, one of the primary authors of the plan informed I. N. S. it was considered at the first meeting of the drafting committee.

Through establishment of a trade association—subject to approval by the government—manufacturers, it was explained, could achieve the purpose of the Capper-Kelly retail price bill which has been before Congress for years.

This measure permitted manufacturers of trade-marked articles, such as well known, nationally advertised prepared foods, canned meats, certain articles of furniture and clothes, to require retailers to sell the goods at a uniform price. The object of the measure was to prevent either individuals or chain store merchants from making "leaders" of the articles and selling them without profit or at a loss in order to attract customers.

MORRISVILLE TAX RATE

REDUCED TWO MILLS

No Salary Cuts for Police or

Other Borough

Employees

PLAN SEWER SYSTEM

MORRISVILLE, May 20.—Borough council last night cut the tax rate two mills in preparing the 1933-1934 budget. The recommendations of the finance committee providing for the reduction was approved. It was also announced that there would be no reductions in the salaries of the borough police and other city employees, and a \$10,000 item for street drainage system in the Third Ward was approved.

The action followed a closed executive session of nearly an hour and a half's duration. In announcing the budget approval, no detailed figures were made available, council merely stating that the tax rate would be 14.5 mills this year, or a drop of two mills or 20 cents on each \$100 of valuation under last year's rate.

A copy of the budget in detail was requested by Albert Kohl, president of the Morrisville Taxpayers' Association, who stated the public action on the budget was taken before "we knew what it was about."

A. T. Lynch, president of council, said the figures would be made available to the association later.

The association has advocated salary cuts for borough employees, including the secretary and treasurer of the borough, and the council's decision to leave them untouched is expected to draw considerable adverse criticism.

It was understood that the no-salary cut proposal was approved by a 3 to 1 vote in the finance committee after considerable debate. A heated discussion is understood also to have arisen over inclusion of the \$10,000 drainage item which was approved by the same margin.

A tax ordinance calling for distribution of the new rate of 14.5 mills on the basis of nine mills for general borough purposes, four mills for the sinking fund and one and a half mills for fire protection, was adopted on final reading.

E. HEIZMANN RE-ELECTED HEAD OF LEAGUE GROUP

Rev. Leon T. Moore Speaks
at Bristol Group Rally
at New Hope

PICTURES OF INSTITUTE

(By Staff Correspondent)

NEW HOPE, May 20.—An address by the Rev. Leon T. Moore, pastor of Wisconsin M. E. Church, motion pictures from the vicinity of Paradise Falls where the North District Epworth League Institute will be held this summer, and election of officers were the high-lights of the bi-monthly rally of Bristol Group of Epworth Leagues in the Methodist Church here last evening.

Ernst Heizmann, Bensalem, who has served the Group faithfully and well as president for the past few years, was re-elected to head the organization, his cabinet comprising: First vice-president, Hampton Hayes, New Hope; second vice-president, Mrs. Hampton Hayes, New Hope; third vice-president, Miss Elsie Rockhill, Emilie; fourth vice-president, Miss Marian Rogers, Bristol; secretary, Miss Marjorie York, Langhorne; treasurer, Thomas Chase, Scottsville; intermediate superintendent, Miss Hazel Ashton, Bensalem; junior superintendent, Miss Elizabeth Foster, Hulmeville.

The Rev. Moore told the gathering of 275 young people that "When you seek after the things that are shakable, they will be destroyed." "We are living in a day of shaken kingdoms," he added, continuing with particular stress upon the kingdom of finance, the kingdom of morals, and the Spiritual kingdom. After referring to marked changes in these kingdoms in the past several years, the speaker however gave as his firm belief "that a lot of confidence and trust can well be placed in our young people today." He told the Leaguers: "Every Epworth Leaguer, here, if you're honest and true, will mold and fashion your character after Jesus Christ; and we can only do this through fellowship with Jesus Christ. Follow the Kingdom of God through the Epworth League, and it will make you loyal to your church, to yourself and to the Christ." The Rev. Moore informed that there are "none so 'cock-sure' of ourselves but that we need close contact with Jesus Christ."

The Rev. Knopp, pastor of the local church, offered prayer; and the benediction was pronounced by the Rev. Alexander B. Davidson, pastor of the Trevoze M. E. Church.

White placards on which the names of the various leagues were placed in red letters were much in evidence, giving a convention appearance. Attendance banner was won by Scottsville, with a delegation of 49; Tullytown with 100 per cent of the membership present, won the percentage banner; the stunt banner for the best group song was awarded to New Hope Leaguers; while Bristol won the mileage banner.

Announcements included: the Philadelphia Conference Epworth League banquet in Coatesville, June 3rd; North District Epworth League Institute at Paradise Falls, July 31st to August 7th; stunt night of the Bristol Group at Bensalem M. E. social hall, July 21st.

BILLS PRESENTED ARE APPROVED BY THE GRAND JURY

Most of the Cases Resulted
in Pleas of
Guilty

MANY BRIDGE CASES

Four Bridges Approved and
Two to Be Taken Over
By County

DOYLESTOWN, May 20.—What is believed to be a new record in Bucks county criminal court, in recent years at least, was established this week when the Grand Jury for the May term of criminal court returned twenty-eight true bills out of twenty-eight bills of indictment laid before them. Not a single indictment was returned "not a true bill."

Although the list of cases before the Grand Jury was smaller than in several years, it took that body longer than usual to complete their work because of the fact they had before them a number of bridges for approval as well as the plans for the reconstruction of the interior of the Bucks County Court House.

Monroe Jarrett, of Trumbauersville, was the foreman of the jury and Edward Sutterley, of Morrisville, was the clerk. The list of cases to act upon was smaller because nearly thirty cases were disposed of in the early part of the week by pleas of guilty being entered by defendants.

It is quite possible that trials by traverse juries will be completed next week.

The Grand Jury approved four bridges. They were located over Butter Creek in West Rockhill township; over Deer Run between Bedminsterville and Keller's Church, in Bedminster township; over Cook's Run between the borough of New Britain and New Britain township; bridge over railroad between South Langhorne and Langhorne Manor boroughs on Hulmeville avenue.

Two bridges to be taken over by the county were approved. They are the ones located over Butter Creek and the one over Deer Creek.

Alterations to the interior of the Court House, as submitted by the Bucks County Commissioners, were approved by the Grand Jury. With the removal of a number of offices to the new Administration Building, the plans now call for the removal of a partition in court room No. 2 on the second floor of the Court House to make the room considerably larger for holding court sessions. The Grand Jury also recommended that more files and racks be purchased for the Orphans' Court office and that lockers be purchased for the ladies' rest room in the basement.

The Grand Jury recommended the repair of the steps in front of the Court House. They visited the new Administration Building recently opened and placed their stamp of approval on this structure, finding everything in fine condition. The County Prison was visited and there the Grand Jury, according to the report, found everything in a very satisfactory condition.

At the Bucks County Home the Grand Jury made an inspection trip. They suggested that the ceiling in the hall of the second floor be repaired and recommended the repair or removal of the platform at the water tank. Otherwise they found everything very satisfactory and the institution under very capable management.

Bible Class, Winner In Auto Race, Is Entertained

A cross-country auto race, from coast to coast, was begun three months ago, with 15 classes of Harriman M. E. Sunday School, as contestants.

All starting from a given point, mileage was registered whenever an increase in collection or perfect attendance was scored by a class. A decrease in either, scored a blow-out or puncture and put that class back. Bible class, taught by the pastor, the Rev. George W. Shires, won. As a reward, they were guests last evening, in the church basement.

Thirty-five were in attendance. Various games were played and refreshments served.

The bottle and peanut contest was won by Miss Marie Van Soest; autograph competition prize, William Wilkinson; Leslie Rogers received favor as author of the most original funny face. Mrs. Robert Campbell was given a prize for highest count in correct identification of favors made by the attendants. Refreshments were served.

In the alphabet game, two teams, composed of the Misses Dorothy Campbell, Marie Van Soest, and Doris Wilkinson, and Messrs. Alfred Rogers, Furman Miles and Peter Peters, Jr., qualified in the quickest time.

The committee conducting this entertainment comprised Mrs. Walter Cooper, chairlady, with Mrs. Mildred Kelber Morse, the Misses Catherine Barr and Doris Wilkinson, Mrs. Pearl Riggs and Mrs. Elizabeth Crosby as aides.

Think what a trifling sum—15c a day! Less than you pay for your daily supply of ice—except that the payment goes toward your PERMANENT ownership of a brand new KELVINATOR electric refrigerator!

Just imagine—you can save more than the 15c a day by buying larger quantities of perishable foods when the market prices are down. And think of the saving that PERFECT refrigeration means in preventing customary food spoilage.

15c a day deposited in the Meter-Ator means that you are buying your refrigerator day by day—as you use it—with money that would otherwise vanish as completely as the ice it buys.

NOTE: In fairness to all—Kelvinators equipped with the Meter-Ator will be delivered and installed in the order in which they are purchased.

BRISTOL TWILIGHT LEAGUE

Results of Last Night

A. O. H. 1; DAMP WASH, 1

ST. ANN'S, 5; EDGELY, 5

One hit pitching for Dave Ennis failed to net him victory last night on Sullivan's field as the Hibernians and Damp Wash A. A. battled to a 1-1 deadlock.

The bingle allowed by Ennis was made by Brushia in the second inning and drove in the Damp Wash's only tally, although the run was unearned because Rodgers' miscued twice to allow Kendig to reach third base.

"Tex" Dries twirled for the laundrymen and gave the "Hibs" five hits. The only time he was in real trouble was in the fifth when the Hibernians scored their only tally and had another runner nipped at the plate.

To open this frame, Fallon draw a pass. He advanced on Gosline's single and scored on a hit by Gaffney after Connors rolled out. On the play, Gosline was put out at the plate.

"Tootie" Gosline made two wonderful catches in right field to rob the Damp Wash batters of hits.

The Washers showed a big improvement over their other games and are strengthened in almost every position.

St. Ann's A. A. and Edgely staged a thrilling affair at Edgely with the count ending with five runs each. The team played seven innings, the last two being played in almost complete darkness.

Errors proved the downfall of both teams. The "Saints" had a three run lead going into the fifth but errors by Juno and Fields, coupled with a pinch single by F. Dick tied the count.

Fields' misplay in the fourth gave the Edgelyites their second run while DiBlassio errored in the first to give the Edgely team their first run, making the entire five runs scored unearned.

The St. Ann's first three runs were earned as F. Fields opened with a single. He advanced on Pico's hit and both scored ahead of E. Fields on his long run to right field.
